

Footway Maintenance in Your Area

Footway Surface Improvement (Reconstruction)

DEANWOOD ROAD, DOVER

When we plan to carry out the work and how long it will take

This is to let you know that, as part of the on-going maintenance and improvement of the highway network, Kent County Council will be resurfacing **Deanwood Road for its entire length**.

COVID-19 Statement - This type of footway reconstruction is currently sanctioned to continue as the operating procedures can be undertaken in line with current Government and Construction Leadership Council advice. We will continue to take note and adjust to any changes in this advice, so there is a possibility that these works may be postponed at very short notice. We take the wellbeing of the public and our workforce extremely seriously, please be assured we have put in place all mitigating measures necessary to abide by the guidance currently in place.

For the safety of both you and our workforce please do not approach our workforce on site
If you have any enquiries regarding these works, raise through the Kent County Council contact centre on 03000 418181 - Monday to Friday from 09:00 to 17:00.

These road surface improvement works are programmed to start on the **5th October 2020** and should take **10 weeks** to complete. These activities will be undertaken between the hours of **07:00am and 17:00pm** each day. Due to the Covid-19 pandemic and uncertainty there is a risk these works could be cancelled at any time.

This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road, before we start, showing the date we plan to start work.

What we plan to do

The footway is in a poor condition and we plan to renew it. The areas marked with red on the map overleaf, will be excavated and the existing surface will be replaced with a new black asphalt surface.

We will carry out the work in sections and every effort will be made to maintain access to your driveway. **SPEAKING TO CUSTOMER PRIOR *** WE WILL MAKE CONTACT ***** however, there may be times when our work may cause you some inconvenience, but we will make every effort to keep disruption to a minimum. As we will be digging up the existing footway there will be some noise and dust.

How you can help us

It is inevitable that residents and businesses near the works will experience some disruption and we apologise in advance for any inconvenience caused, but we will try to keep this to a minimum. If you have any special access arrangements, deliveries or any urgent concerns whilst we are working, but if you have any access needs, please let the workforce on site know whilst keeping your distance.

We need your help to make sure the work is done as quickly as possible and to the best possible quality. **If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out, so the road is clear for us to resurface.**

How to contact us?

If you need more information, you can visit our website www.kent.gov.uk/resurfacingupdates to find out how we look after the roads throughout Kent or report any faults you find on our roads. Alternatively, you can call us on **03000 41 81 81** or email Michael Hardy at RaFAT@kent.gov.uk.

WARNING – Beware Bogus Callers

Kent County Council Highways, Transportation and Waste do not allow works to be carried out on private properties. If anyone says they are working for us or our specialist contractors and offer to carry out any work for cash, they should be treated with caution. We advise you to contact Citizen's Advice on 03444 111 444 (Monday to Friday 9.00am to 5.00pm).

For your safety and the safety of our workforce, please drive carefully and slowly through the roadworks.
